## ANYONE HOME!

If you come to Shrub Oak to see us between July 6 and August 6, you'll find our house open, but our offices closed, with all our stamps tucked away in the bank vault, and only our dog and parakeet in the office. Since we will be in Europe attending the London show, and on the Continent on our annual buying trip between those dates, this will notify our friends of our impending absence. It would be appreciated if letters, inquiries, etc. be held until our return. The only mail attended to by my secretary will be auction remittances and requests. Other mail will be answered as soon as practical after our return.

# RYUKYU ISLANDS

by  
**WHITE ACE**

featuring

**NATIVE COLOR STYLING**

A new release by *WHITE ACE*, this group of pages covers all of the postage stamps released by this tiny island group in the Pacific Ocean. While the Kingdom of the Ryukyu Islands began as far back as 1100 A. D. and ended with its absorption by Japan at the close of the 19th century, its postal history only began with the American occupation of the islands after World War II. The first issue of Ryukyuan stamps came in 1948, followed rapidly over the years with some very colorful

commemorative and air mail issues. In the *colorful* design for these pages, *WHITE ACE* has taken some of the native color favorites and embodied them in a design that makes a very striking setting for your collection of these stamps.

The pages are standard 8½ x 11 punched for a three-ring binder. Each space is illustrated by a picture of the actual stamp . . . making mounting a pleasure. Historical annotations are found with each stamp or set of stamps recreating, for the collector, a most complete and enlightening history of the Ryukyu Islands.

You'll like this and the other *color styled WHITE ACE Albums*. Be sure to see them the next time you shop for a new album.

## COMPEX 1960 Goes into the Record a Huge Success

THE Combined Philatelic Exhibition of Chicagoland (COMPEX '60) opened promptly at 10 A.M. on May 28, 1960, with Franklin R. Bruns, Jr., Director of the Division of Philately, cutting the ribbon.

The exhibits occupied two floors of the Hotel La Salle, with some 200 frames on view. A record crowd attended the opening day, and attendance held up equally during the balance of the period of the exhibition, which continued through May 30th.

The 21½c Embossed Stamped Envelope was placed on first day sale at the show on May 28th with special ceremonies held in the Illinois Room of the Hotel. There were some 400 persons present for this program, where Dr. James J. Matejka, Jr., president of COMPEX, acted as the presiding officer and gave the address of welcome.

Mr. Bruns officiated in distributing the souvenir presentation albums to the special guests.

This year's COMPEX was in special tribute to the People-to-People Program, and James W. Shaver, secretary of the People-to-People Hobbies Committee, was introduced and spoke on the work being done and how it is progressing.

One of the highlights of the show came on Saturday night at the dinner-dance, when Takeo Ozawa, the Japanese Consul General and his charming wife presented beautiful plaques in the name of the Japanese Government for the work done in connection with the People-to-People Program and in commemoration of the 100th anniversary of the U. S.-Japanese Treaty. These plaques were presented to L. Rohe Walter, Special Assistant to the Postmaster General; Dr. James J. Matejka, Jr.; Morton B. Levin, of the U.S.I.A., and H. L. Lindquist. Mr. Walter was unable to be present owing to other commitments,

and his plaque was delivered to Mr. Bruns; while the one for Mr. Lindquist, who is visiting Italy and Paris prior to his visit to Britain where he is to be a judge at the international show in London, was received by Mr. Shaver.

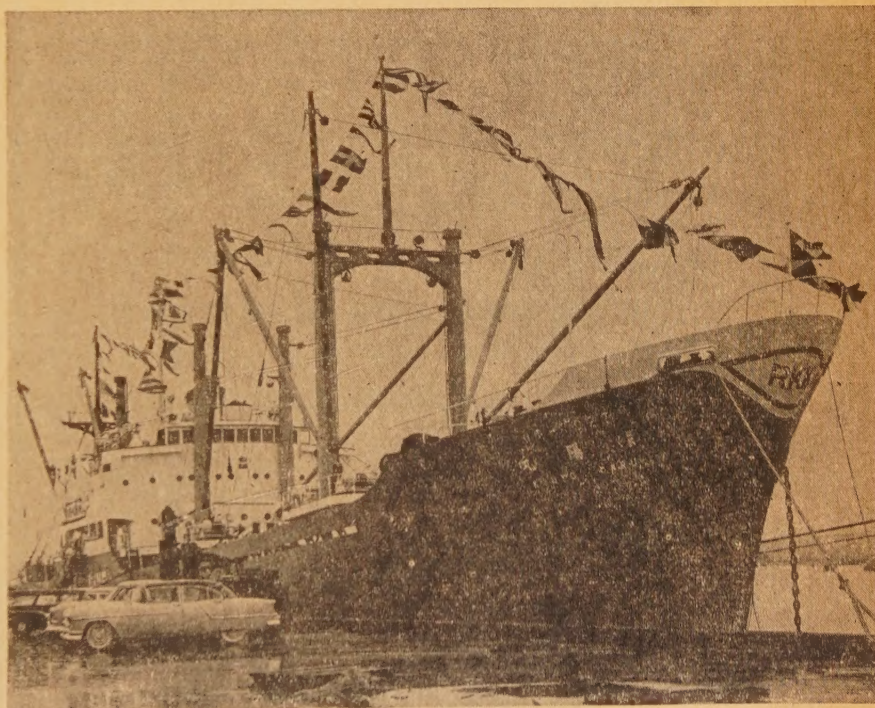

Following the presentation of the plaques, Mr. Ozawa spoke over the Voice of America, telling the people of Japan about the COMPEX events.

A large sterling silver bowl was presented to Mr. Bruns on behalf of COMPEX in appreciation of the great amount of work he had done personally for philately in the mid-west.

Ben Reeves, honorary chairman of COMPEX was given a testimonial plaque for his continuous devoted efforts on behalf of COMPEX. An honorary life membership

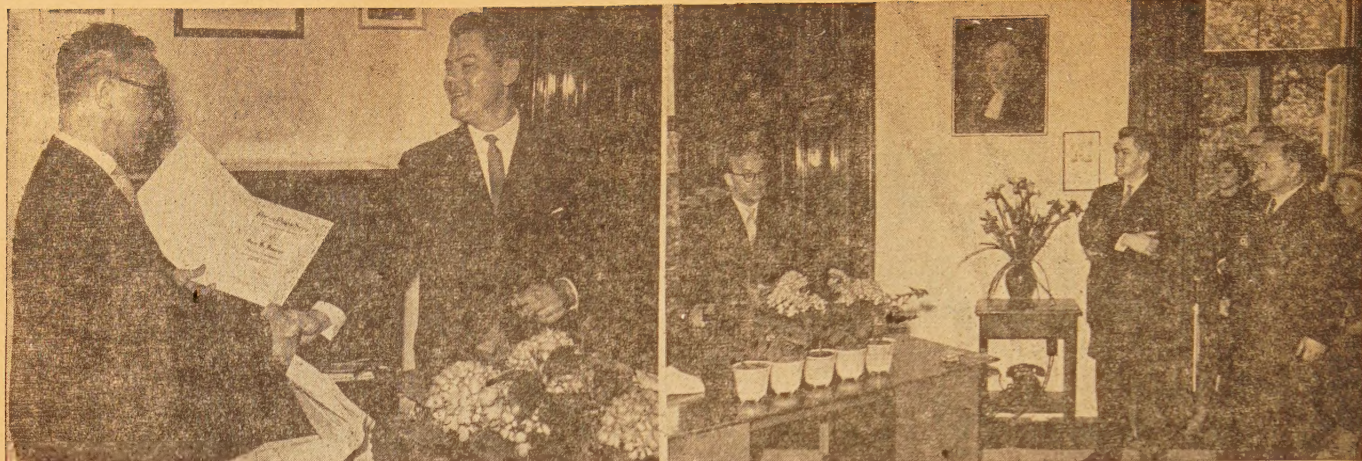

was presented to Dr. Matejka from the Jack Knight Airmail Society.

The grand awards of the respective clubs comprising COMPEX were then presented by Mr. Bruns as follows: The Austin Philatelic Club, to Mrs. Mildred Rohloff, of Oak Park, Ill., for 19th century fancy cancellations of Waterbury, Conn. The Czechoslovak Philatelic Society, to Major W. S. Knox, San Angelo, Texas, for Hradecany specialized. Elmhurst Philatelic Society, to Byron F. Stevens, Elmhurst, Ill., for the Eagle issue of Mexico. The German Philatelic Society, to Edward Hopps, Chicago, Ill., for 1936 Olympic Games of Germany. Israel-Palestine Philatelic Society of America, to Harry Abelson, New York, for his Israel collection. The Jack Knight Airmail Society, to Dr. James J. Matejka, Jr., Newfound-

This 5,000 DWT Kyuyo Maru, largest vessel in the Ryukyan merchant fleet, left Okinawa in late May for the port of Stockton, California, a voyage returning the historical visit of Commodore Matthew Calbraith Perry to the Ryukyu Islands 107 years ago. The voyage of the Kyuyo Maru will mark the first time that a Ryukyan owned and operated vessel will touch the shores of America. It is expected to sail underneath the Golden Gate Bridge in late June en route up the San Joaquin River to Stockton. Our thanks to Joseph V. Bush, of Chula Vista, California, for supplying us with the picture and press information from the U. S. Civil Administration of the Ryukyu Islands.

Photograph at left shows Gustav Th. Schlesinger (left) receiving congratulations from Clement G. Scerback, Director of Amerika-Haus, on his having received the A.P.S. International Award for Philatelic Achievement. In the picture at the right Mr. Schlesinger is seen as he expresses thanks for the Award. In the center is Mr. Scerback, and at the extreme right, Dr. H. Polzer, representing the Provincial Governor.

Immediately after the banquet

the tables were removed and dancing followed far into the night to the tunes played by an eight-piece orchestra.

### A.P.S. International Award to Gustav Th. Schlesinger of Graz, Austria

ON MAY 7, 1960, the A.P.S. International Award for Philatelic Achievement was presented to *Gustav Th. Schlesinger* at the U.S.I.S. Amerika-Haus in Graz, Austria. Mr. Schlesinger is a frequent contributor to STAMPS' new issue department with first day and first flight information.

Mr. Schlesinger has also been very active in the People-to-People program in Europe. As president of the Graz Stamp Club, he promoted the well known "Friendly Airlift Graz-Montclair" (N. J.) and arranged with the People-to-People Hobbies Committee for the "Nautilus" philatelic covers for the Graz Stamp Exhibition in December 1958, and secured by P-to-P for them through cooperation of various Naval personnel and the Pentagon.

Mr. Schlesinger has done a great deal to promote philately in Austria, as well as aiding international good will through philatelic channels. The International Relations Committee of the *American Philatelic Society* selected Mr. Schlesinger for their international award in recognition of these many achievements and for the close cooperation

and interest he has devoted to People-to-People.

Present at the ceremony were *Franz Amon*, president of the Austrian Collectors Federation; *Dr. Pabeschitz*, president of the Styrian Posts; *Clement G. Scerback*, Director of Amerika-Haus; and several dozen local radio and tv people, as well as friends and collectors from Austria and Yugoslavia.

A cocktail party followed the Amerika-Haus program, and in the evening the "Schlesinger Day" was concluded with a dinner in his honor.

## L. Rohe Walter Receives Bishop Medal

**L. ROHE WALTER**, Special Assistant to the Postmaster General, has been awarded the 1960 Bishop Medal for "outstanding service to society," by Miami University at Oxford, Ohio.

Two Bishop Medals are awarded each year by the University. The other Medal this year was received by Wilbur M. Cotton, Dayton, Ohio, Director of Community Relations for the National Cash Register Company.

Mr. Walter, head of the Post Office Department's informational and philatelic activities, was cited by the University for his outstanding work in organizing and directing the federal government's program of commemorative stamps, particularly the current series of postage stamps setting forth the great statements of the famous Americans and known as the "American Credo" series.

The Bishop Medal is one of the national awards given to Mr. Walter for his work in revitalizing and expanding the Post Office Department's philatelic program and its services to stamp collectors, and his work in making the stamp program an important adjunct to this nation's international good will activities.

Last year, Mr. Walter was named the "Philatelic Man of the Year" by the National Philatelic Museum at Philadelphia, Pennsylvania.

## Hugh C. Barr

THE VETERAN stamp dealer Hugh C.

Barr, of New Rochelle, New York,  
passed away on June 9, 1960, at the age  
of 81. For many years he headed the  
auction firm which bore his name. After  
his retirement four years ago he con-  
tinued to act as a consultant and appraiser.

Mr. Barr was a member of the A.S.D.A.,  
the A.P.S., and some other stamp groups.  
He had handled many fine collections  
at auction, and was one of those con-  
cerned with the auction of the late Col.  
E. H. R. Green.

He had always been a stamp enthusiast,  
opening his first stamp firm shortly after  
being graduated from Princeton in 1900.  
He later edited various magazines, in-  
cluding Dun's International Review and  
the Spanish edition of Vogue.

Mr. Barr is survived by his wife,  
Susan; two sons, Hugh N. and Robert C.;  
and two daughters, Annabelle and Susan.

## Scott Publications Moving Ahead Fast Under New Ownership

WITH the recent acquisition of Scott  
Publications by Esquire, Inc., we  
already have considerable evidence that  
the new owners will breathe new life into  
the organization. Within the last thirty  
days the International album, Vol. IV has  
been published, as well as the new Ameri-  
can album. As further indication of the  
more progressive publishing policy that  
will prevail under the new ownership, it  
has been announced that new up-dated  
National commemorative and plate block  
albums are ready, along with their supple-  
ments for 1959 stamps.

Within the next few weeks five British  
Empire albums will be up-dated and made  
available to collectors, along with their  
supplements; and from now on specialized  
albums will be released quite rapidly.

None of this activity will interfere in  
any way with the production of Scott's an-  
nual catalogs, and in fact, the release of  
the catalogs will even be ahead of recent  
years. This will be done by using outside  
production facilities rather than limiting  
the work to Scott's production availability.  
It is expected that Volume II will be  
available by Labor Day this year; Volume  
I by October 1st; and the Combined and  
U. S. Specialized shortly thereafter.

## Here's your Answer

This department will answer any questions except those answered by any good dictionary or encyclopedia if clearly stated and if the sender encloses an addressed and stamped envelope for reply. Commemorative or other desirable stamps on your inquiry will be appreciated, but not obligatory. Send all questions direct to C. N. Allen, 2 Brewster Rd., Hanover, N. H.

Q.—I have a U. S. stamp with "I WILL" punched into it. Is this a rarity?

A.—I once thought this was noteworthy but a "perfin" collector set me right—you'll find it on Chicago mail on many issues; I spotted it during the Centennial of Progress and thought it a city motto for that event; I'm told I was wrong and the stamp is common so punched.

\* \* \*

Q.—I bought a sheet of #921 U.S. (Korea flag) for \$10, and it has the "Korpa" error. Is this a fair price? Is it a good buy?

A.—What is "fair" depends on a few things when it comes to items like this. In the first place, "error" is the wrong word; the proper term would be "variety." The fact that Scott is not listing it indicates what this catalog thinks of the "E" that looks like a "P", and it does, being a broken letter, and a constant plate variety. This is bound to bring pause to some collectors, so affects demand. I'll speak for myself. I wouldn't pay \$10 for such a sheet, but you and others have. It's a matter of personal choice. No one can fix a proper price on such an item, especially when it is not cataloged. So, how much did you want it? Ten dollars worth? Yes, I am sure you would not have paid it had you not wanted it that much, so for you it is a fair price.

\* \* \*

Q.—Where can I find the catalog value of first flight of FAM 18, NY 6-24-39? Also I notice only one listing of 1041, but there are two of the same (not #1042)—one white paper and the other rose colored.

A.—The first is listed in the American Airmail Catalog, Vol. II (1950). The southern route to England and France started May 20; your covers are the northern route which was from N. Y. on 6-24-39. Catalog listings range from 75c to \$1.75—depending on routing.

As for the other, the rosy colored stamp is an example of imperfect wiping of excess ink and not a variety at all.

## Paderewski Stamp First Day Oct. 8, 1960

POSTMASTER General Arthur E. Summerfield has announced that the "Champion of Liberty" 4c and 8c stamps honoring Ignace Jan Paderewski, world-famed Polish patriot, premier and pianist, will be placed on first day sale at Washington, D. C. on Saturday, October 8, 1960.

"Each year many American citizens of Polish ancestry gather in October to celebrate the great contributions made by the Revolutionary War hero, Brigadier General Casimir Pulaski, to the American cause of Independence," Mr. Summerfield said. "It seems most appropriate, therefore, to have the issuance of the Paderewski stamps coincide with these gatherings".

The Post Office Department will sponsor a Paderewski stamp ceremony in Washington, D. C. under the leadership of Mr. Summerfield on October 8, 1960, at 2:00 P.M. in the Inter-Departmental Auditorium.

Forty million of the 8c Paderewski stamps, for use in International surface mail, will be printed in three colors. One hundred and twenty million of the 4c Paderewski stamps, used for First-class letter mail, will be printed in one color. Design details and color specifications will be announced later.

Collectors desiring First day cancellations of the 4c and 8c Paderewski "Champion of Liberty" stamps may send a reasonable number of self-addressed envelopes enclosing remittance to cover the cost of the stamps to be affixed to the Postmaster, Washington 13, D. C. The outside envelope should be endorsed "First day covers Paderewski Stamps" and orders for uncanceled stamps should not be included with the request for First day covers.

## Francis Scott Key Credo Stamp

THE fourth of the American "Credo" stamps, featuring Francis Scott Key's words from the Star Spangled Banner, "And this be our Motto, in GOD is our TRUST," will be first placed on sale in Baltimore, Maryland, on September 14, 1960.

Notable Americans and their statements already represented on "Credo" stamps previously released include: George Washington (January 20, 1960); Benjamin Franklin (March 31, 1960), and Thomas Jefferson (May 18, 1960). Yet to be released are stamps emphasizing statements by Abraham Lincoln (November, 1960), and Patrick Henry (January, 1961).

Design of Francis Scott Key  
Credo Stamp

The Key "Credo" design will essentially be the same as those already issued. The message and Key's signature will, of course, be different as will the symbolic device to the left of the statement which in this instance will represent stars and a bursting bomb within a double circle.

Frank P. Conley, previously responsible for the 3-cent James Monroe Bicentennial commemorative of 1958, prepared the basic design for all six "Credo" stamps. Each carries a message in a manner and design of style and types used in our Colonial currency.

Printing of this fourth "Credo" stamp will be in red and blue on white—colors of U. S. Flag—on the Giori press. The initial order calls for 120 million stamps, to be released in panes of fifty, with L-type perforations.

Collectors desiring first day cancellations of the 4-cent Francis Scott Key "Credo" stamp may send addressed envelopes, together with remittance to cover the cost of the stamps to be affixed, to the Postmaster, Baltimore 33, Maryland. A close fitting enclosure of postal card thickness should be placed in each envelope and the flap either turned in or sealed.

Envelopes submitted should be of ordinary letter size and each must be properly addressed. An envelope must not be sent for the return of first day covers and orders for covers must not include requests for uncanceled stamps. The out-

# The S.C.A.D.T.A. and PANAGRA Airmail Service in Ecuador

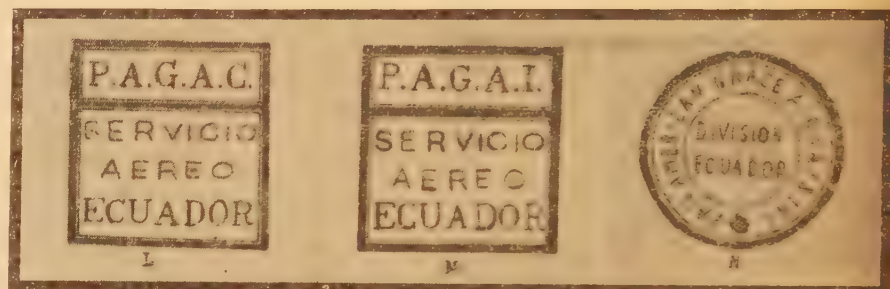

By JOSE L. MASSIDDA

(This is the second of two articles, the first of which appeared in our issue of June 11, 1960)

**O**UR first article dealt with the services of S.C.A.D.T.A. In this article we will discuss the air post service effected by PANAGRA in Ecuador merely during the period in which the public handed in its correspondence directly at the counter of the company, paying the air post fare without intervention of the Ecuadorian postal administration, in a similar manner to the service of SCADTA.

After a trial flight effected on May 18, 1929, transporting some correspondence, the service was inaugurated on May 26, with Cristobal, C. Z., the final destination of the flight. We reproduce a cover handed in at the counter of the company on May 26, 1929, and the reverse of which bears the arrival postmark of Cristobal, C. Z., dated May 27, 1929, at 12:30 P.M. No cachet was affixed by the company to record the inaugural flight.

All correspondence was handed to the company, stamped with Ecuadorian stamps, according to the ordinary tariff. The air post fare paid to the company was not noted on the covers. The Ecuadorian stamps were cancelled, in violet ink,

Markings referred to in accompanying article as Figs. L, M, and N.

with rubber-stamps of the company. Each letter bore a progressive number in blue, as seen on the reproduced cover (OO 188). The date on which the letters were handed to the company never appears on the covers, but the date of arrival at Cristobal, C. Z., does, and occasionally further destinations. Registered letters were not accepted.

At the beginning the company employed a square rubber-stamp (Fig. L) reading in violet on four lines: "P.A.G.A.C. — S E R V I C I O — A E R E O — E C U A D O R." The initials P.A.G.A.C. correspond to *Pan American Grace Airways Company*. In the middle of June 1929 this stamp was replaced by two more; one (Fig. M) similar to the former, but with the initials changed into P.A.G.A.I. (*Pan American Grace*

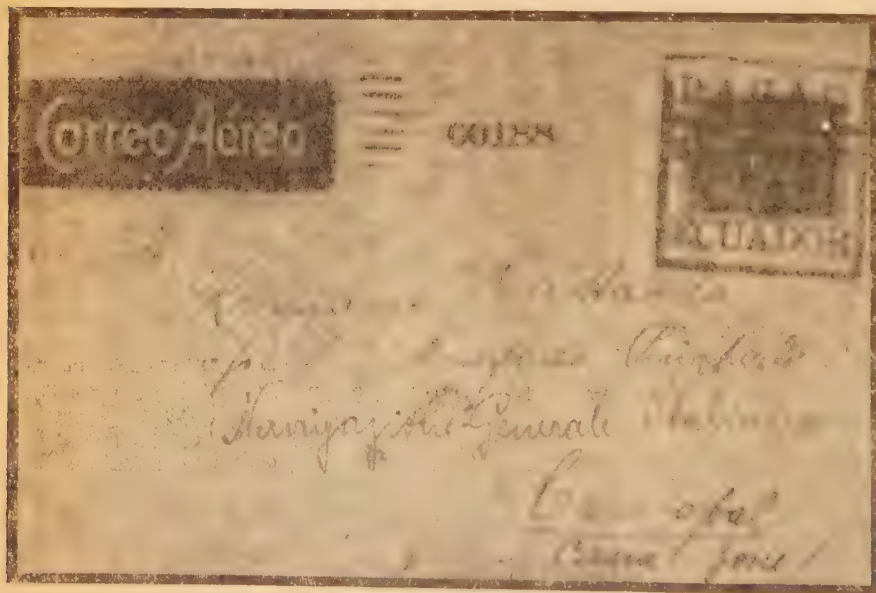

*Airways Incorporated*); and another, round, with the circular inscription "Pan American Grace Airways Inc." and in the center, on two parallel lines: "Division—Ecuador" (Fig. N).

From an enumeration of the covers examined it is found that on September 12, 1929, the company had already transported 3,044 letters.

PANAGRA continued the service in the afore-mentioned form until October 1929. Then the Ecuadorian Postal Administration took direct charge of the service. Thereafter letters were franked with Ecuadorian stamps according to the ordinary and air mail tariff, and were mailed at the Government post offices. PANAGRA continued transporting the air mail but for the Government, receiving the mail in sealed bags from the Post Offices.

Meanwhile, the SCADTA company had not discontinued its service, and for a few months acted in conjunction with the Pan American Airways (P.A.A.), but ended its service on December 27, 1930.

A collection of covers carried on the Ecuadorian private service of PANAGRA is very interesting, documenting a service similar to the one of SCADTA which also has been of such interest to collectors. These covers are very scarce; in addition to the rather small quantity of letters transported from Guayaquil (which scarcely may reach 3,500 altogether), the covers escaped the attention of philatelists at the time, since they were franked with ordinary stamps; therefore, it appears that very few were collected.

Cover handed in at the counter of Panagra on May 26, 1929, and carried on the first flight.

# Atomic Submarine Cover Collecting

By HARRY A. GORDON

NAVAL covers have been collected for many decades. It is still popular, and, while the specialty of collecting *only* submarine covers was halted by World War II, when no ship postmarks were used and many of our submarines were lost in action, and became what we call Gold Star Ships.

With the advent of atomic powered submarines and the front page news some of them have been making with such famous trips to the North Pole as have been made by the *Nautilus*, *Skate* and *Sargo* and now the 'round the world underwater voyage of the *USS Triton*, we find that many collectors have already begun to collect atomic-powered submarine covers.

Thus besides the already expensive and famous covers from the trips mentioned above we can get

covers from the launchings, first day in commissioning, shakedown trips and famous trips which may be commemorated in the form of ship's cachets or special postmarks.

On page 346 of STAMPS, May 28, 1960, one of the *Triton* covers was shown. My own cover has the U. S. 49-star Flag stamp of 1959 with the *Triton* mimeographed cancel tying it to cover. I think it might be the first time that a U. S. stamp has been cancelled by a mimeographed cancel and has gone through the mails with no date whatsoever nor place of mailing. My cover also was franked and sent by the Captain of the *Triton*, *Edward L. Beach*, and is numbered in the lower right. The Captain had enclosed a mimeographed certificate with a U. S. embossed seal, endorsed to me, and with this information:

"TRITON, world's largest submarine, is powered by twin nuclear reactors designed by the Knolls Atomic Power Laboratory which is operated for the U. S. Government by General Electric Company. Keel laid 29 May 1956; launched 19 August 1958; commissioned at the Electric Boat Division of the General Dynamics Corporation, Groton, Connecticut on 10 November 1959.

"TRITON took departure from New London, Connecticut on 15 February 1960 and returned in May 1960 after a submerged non-stop voyage of more than 36,000 miles."

This is signed "Edward L. Beach / Captain, U. S. Navy / Commanding."

The list of atomic powered submarines already contain these names: *Nautilus*, *Seawolf*, *Skate*, *Swordfish*, *Sargo*, *Seadragon*, *Skipjack*, *Triton*, *Habibut*, *Tullibee*, *George Washington*, *Patrick Henry*.

New ones listed for 1960 will be the *Scamp*, *Sculpin*, *Shark*, *Snook*, *Permit*, *Plunger*, *Barb*, *T. Roosevelt*, *R. E. Lee*, *Pollack*, *Haddo*, *Jack*, *Tinosa*, *Dace*.

For 1961 we may get these ships: *Ethan Allen*, *Sam Houston*, and for 1962, *T. A. Edison* and *John Marshall*.

## An Observation Regarding Commemorative Plate Numbers

By DR. F. O. GARRETT, JR.  
B.I.A. 3796

**A**MONG plate number collectors there is a belief and I believe rightly so, that commemorative plate numbers are easier to find than those on the ordinary issues. Yet after compiling plate numbers present in many, many collections for the plate number survey by the Plate Number Committee of The Bureau Issues Association, I would like to state that I do not believe any collector has a complete collection of each plate number used by the Bureau of Engraving and Printing to produce the commemorative stamps of the United States. Now, that is a large statement and I am now ready for proof that it is wrong. Who will dispute it? A person would not have to own a single Columbian issue plate number to qualify because the Trans-Mississippi Issue is the starting point for commemoratives produced by the Bureau of Engraving and Printing.

The great stumbling block to accomplishing completion is the long run of plates used for the lower denominations of the early commemoratives, especially the Trans-Mississippi issue and the Pan-American Exposition Issues.

Could it be that the collectors reporting to the survey have not made a diligent effort to find the missing commemorative plate numbers in their collections? I think not. There is a possibility that there just might be a collection of only commemorative plate numbers that has not been reported to our committee, but this is highly improbable.

I know of one collection that is lacking only one plate number among the 2,432 plates used before number 24,999 for producing commemoratives. I know of several collections that need only six to ten plate numbers to complete.

If there is a complete collection, I would like to know about it. I will send the necessary forms to report the plates, with only a small amount of effort required by the owner. Write Dr. F. O. Garrett, Jr., Rt. 4, Box 365, No. Little Rock, Ark.

One thing for sure, all of the commemorative plates exist. There have been no skips such as those found among the ordinary issues where we know the plates were used but have had no reports on them.

Here is the challenge—what are you going to do about it?

## Book of Illustrations for Russian Empire Used Abroad

**O**N page 339 of our issue of May 28, 1960, we reviewed the sixth and final part of the extensive research work by S. D. Tchilinghirian and W. S. E. Stephen, titled *Stamps of the Russian Empire Used Abroad*. We also mentioned that it was proposed to bring out a book-

let reproducing on one side of the page only all 900-odd illustrations which appear in these works so that they could be mounted in the albums of interested collectors.

It has now been indicated that enough collectors are interested so that the decision has been made to go ahead with publication of the booklet, which will exceed 50 pages and be sold at \$3.00 a copy. Orders may be placed now, and publication is expected to be late August or early September. Send orders with remittance to *W. S. E. Stephen, 94 High Street, Aberlour, Banffshire, Scotland.*

## Revised SPA Handbook on 1912-1921 Wash. Series

**T**HIS is a 12-page pamphlet which clearly describes how to distinguish all of the types of the U.S. 2c and 3c Washington Series of 1912-21. Enlarged illustrations of distinguishing characteristics are accompanied by explanatory matter which will enable the unraveling of puzzling features for any collector in this field.

## Francis Scott Key Stamp

(Continued from page 485)

side envelope to the Postmaster should be endorsed "First Day Covers 4-cent Key 'Credo' Stamp."

Dedicatory ceremonies will be held September 14, 1960, at Fort McHenry, in Baltimore. It was the bombardment of this historic fort that Key watched during the night while in custody aboard a British frigate, and which led him to write the words for "The Star Spangled Banner."

The Associated Stamp Clubs of the Chesapeake Area will sponsor a philatelic exhibition at the Southern Hotel in Baltimore September 14 to 18, 1960, to be known as "CHESAPEX '60." This event will also include the fifth convention of the American First Day Cover Society, and gatherings of the Confederate Stamp Alliance and U. S. Postal Stationery Society.

### PONY EXPRESS CANCELLATIONS AT SACRAMENTO AND ST. JOSEPH

Similar first day cancellations will be used at Sacramento, California, and Saint Joseph, Missouri, on July 19, 1960, when the 4-cent Pony Express Centennial commemorative postage stamp and stamped envelope are placed on sale.

That used at Saint Joseph will bear the dated cancel reading "Saint Joseph Mo. July 19 9:00 A.M. 1960." The pictorial portion will consist of a double-lined circle with "Founders Russell Majors Waddell St. Joseph, Mo.—Sacramento, Calif."

The first day cancel utilized at Sacramento for the commemorative postage stamp will read the same in the dated cancel except for the proper city and state, and the pictorial portion will be the same except that the route points will read "Sacramento, Calif.—St. Joseph, Mo."

Because of technical problems, plans to carry first day covers on an Air Force jet flight from Sacramento to Saint Joseph, and the return flight from Saint Joseph to Sacramento could not be worked out. First day covers from the respective points will, therefore, be dispatched through normal channels.

## A.P.S. World Refugee Year Auction Postponed to Fall

OWING to the fact that an insufficient number of contributions have been donated by collectors and dealers, the American Philatelic Society's World Refugee stamp auction, which was to have been held in June, has been postponed to the fall of 1960. It is hoped that by extending the appeal broadly during the next few months sufficient support will be given this worthwhile project to enable going through with it at that time.

Collectors and dealers are urged to send contributions to the *World Refugee Year Auction*, c/o John A. Fox, 110 West 42 Street, New York 36, N. Y.

United States

Canada & Newfoundland

Because I buy stamps of these countries in almost any condition from poor to superb, you can be sure of no complaints, or a ridiculous offer for your stamps. But instead a pleasant surprise.

Proof that I am paying top prices is in my being able to accumulate from so many satisfied sellers the world's largest stock of used 19th Century U.S.

My offer with check is airmailed the same day your stamps arrive. Large lots, collections, etc., preferred, but small groups will be accepted with a minimum catalogue value of \$100.00. Do not send stamps catalogued for less than 25c each.

## Paraguayan Government Denounces Olympic Souvenir Sheet as Spurious

THE Paraguayan Philatelic Agency and government of Paraguay have announced that an Olympic souvenir sheet, which appeared the same time as the recent Paraguayan Olympic stamps, was a spurious issue, produced without the knowledge or consent of the government.

The postal authorities in Paraguay have advised Robert J. Lyon, president of the Paraguayan Philatelic Agency, Inc., at 1270 Avenue of the Americas, N. Y., that the Olympic sheet was privately printed, and privately ordered and distributed without the knowledge of either the government or agency.

Dr. Manuel Avila, consul general of Paraguay in New York, and Dr. Carlos Vasconcellos, special envoy of the President of Paraguay, are cooperating with Mr. Lyon in the investigation of the manner in which the Olympic sheets were printed and distributed.

# GHANA is Now a Republic!

## SPECIAL SET OF FOUR TO BE ISSUED ON JULY 1st FOR "REPUBLIC DAY"

Illustrated at right is the new "Republic Day" issue of four values. There will also be an imperforate souvenir sheet depicting the same values which will be issued at the same time. The values of the set are 3d, 1/3, 2/-, and 10/-. The souvenir sheet will consist of the same value as the set.

### GREAT APPEAL IN U. S.

It is quite obvious that this "Republic" set will receive an especially welcome reception from American collectors.

With our rich heritage of democracy, it is heartening to welcome the full independence of another friendly nation. Shown at right is Dr. Nkrumah and Lincoln as taken from a previous Ghana issue. Dr. Nkrumah has visited the United States many times and studied in this country. He is also depicted in this newest set.

### FACTS ABOUT THE GHANA AGENCY

The Ghana Philatelic Agency acts as a representative of the Ghana postal administration, and distributes the stamps of Ghana to dealers throughout the world at the official face value as the various postal emissions appear. In this manner, your dealer, whether large or small, receives his supply of Ghana stamps promptly, efficiently, and always at the actual monetary value represented by the stamps. This means that the public, in turn, is enabled to purchase these sets at a price that is based on actual value.

### WHERE TO OBTAIN YOUR SET

This set will be released on or about July 1st. Undoubtedly, many dealers will advertise it for sale in this paper as well as others. Since the set will be available to all dealers, in order to obtain a set and the souvenir sheet, simply ask your favorite dealer to obtain it for you.

### INFORMATION FOR STAMP DEALERS

You may obtain these popular items for your clients, if you have not already done so, by writing to the Ghana Philatelic Agency.

### ATTENTION CLUB MEMBERS

Special material is available to clubs and groups interested in stamp study. There is no charge for this service. Write for details.

### POPULARITY OF GHANA TO REACH NEW HEIGHTS

The collecting of Ghana stamps, always extremely popular, will now receive a tremendous

"boost" as Ghana officially becomes a Republic. The philatelic following for new and independent countries is perhaps the leading factor in the collecting field today since one can "start at the beginning" and acquire at modest cost the "classics of tomorrow."

Ghana, always a philatelic leader in the field, now steps to the forefront as the newest of the "new republics." The special set now being issued for Republic Day is a "must" for every collector. (See illustration and further details at left).

### "INFORMATION KIT" FREE FOR THE ASKING

We have available various bulletins, booklets and general information items concerning the philately of Ghana. These items can be used not only for educational purposes but to "dress up" your actual collection. All we ask is a large self-addressed envelope with postage affixed (8c) to cover actual mailing cost.

THIS ANNOUNCEMENT IS PRESENTED BY THE PHILATELIC AGENCY OF THE GOVERNMENT OF GHANA, 225 WEST 34th STREET, NEW YORK 1, N. Y. THE REPUBLIC DAY ISSUE WILL BE PLACED ON SALE JULY 1, 1960 FOR A PERIOD OF ABOUT 5 WEEKS OR UNTIL STOCKS ARE EXHAUSTED, WHICHEVER IS FIRST.

### TIPOFF

**Togo**—The beautiful four-value set issued by this youngest African republic, in honor of the ill-fated Summit Conference, is a low-priced issue which presently sells for 30c. It should be acquired for every general collection. This week's TIPOFF might be withdrawn from sale any day now, and once "off sale", it might or might not do anything. But it is worth the investment of the few pennies, as the popularity of Togo issues will keep its stamps in demand for years to come.

**FRANCE**—If the upward trend of the French market continues, rich aunts as well as rich uncles will have to help underwrite our purchases. Wholesale export quotations from abroad seem to be changing every two weeks, and I really wonder whether there is an actual shortage of late 20th century stamps or whether they are being hoarded for one reason or another. The following Scott catalog values and net price examples illustrate the current trend. All these net prices are strictly wholesale ones to which postage, insurance and a small percentage of profit have to be added. The only explanation for the rising market that one can make is that the continuous demand for French stamps has absorbed all stocks.

HAITI—Scott's #451 plus C148-150, the 8th Olympic Games at Squaw Valley set, recorded in the May *Scott's Monthly Journal*, is in demand all over the world.

The stocks, however, total zero, and large orders coming from across the Atlantic cannot be filled. There is not a single wholesaler in New York City who can come up with 100 sets at \$1.00 each. The only thing that seems to be available are a few left-over sets which retailers might have from their new issue service. The Olympic Games are still in collectors' minds because of the forthcoming Summer games, and the demand is forcing up the prices. If you shop for this set now, you can be assured of a fair increase later. Remember that Olympic Games and U.N. related issues are moving up at a faster rate than any other sets.

A set which was recommended some time ago, #B9 plus CB16-18, the Lincoln issue overprinted "Nations Unies Annes des Refugies 1959/1960" (see addenda in Scott Vol. 1, 1960), was offered not too long ago in STAMPS for \$1.65. This, in my opinion, is a bargain. Many Refugee Year collectors are overlooking this set because it was released in 1959. Try to get it now from your favorite dealer because it will soon cost more. Not many of these issues were put away. The souvenir sheet which was selling for around \$5.00 now costs over \$30.00, and in some cases is close to the \$40.00 mark.

## Soviet Stamp Bears Biblical Quotation

A RECENT 40K Soviet stamp represents a man breaking a sword into a plowshare, and should be of interest to U.N. collectors. The stamp is brown, yellow, and U.N. blue, and is a reproduction of a statue by the Soviet artist Vutech, which was presented to the United Nations some months ago and which has quite recently been unveiled in the U.N. gardens, which are open to the public.

The pedestal bears the inscriptions "Gift to the United Nations from the Union of Soviet Socialist Republics", and "We shall beat our swords into plowshares." It is not every day that the Soviet Union issues a stamp based on an idea contained in the Bible. That stamp is one for the books in more ways than one.

# THE UNITED STATES COMMEMORATIVE STAMPS OF THE 20th CENTURY

IN TWO VOLUMES

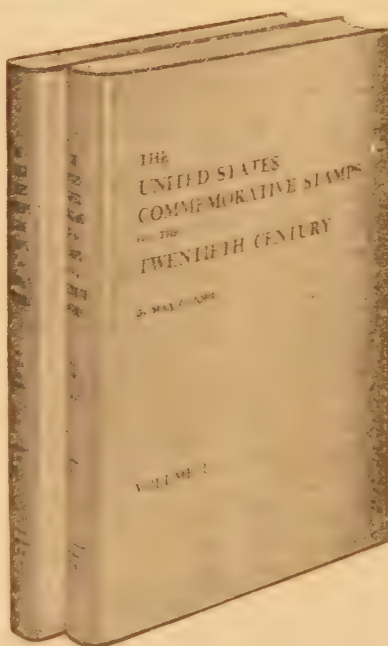

By MAX G. JOHL

This set of books embraces the 20th Century United States commemorative issues from 1901 to the CIPEX issue of 1947, and is a comprehensive and authoritative study of these popular stamps. It rates unquestionably with the finest books ever published in the philatelic field.

Volume One takes in all the commemoratives issued from the 1901 Pan American Issue to the 1935 National Parks Issue. Volume Two covers all those issued between the 1935 Connecticut Tercentenary Issue and the 1947 Centenary International Philatelic Exhibition Issue.

The volumes exceed 300 pages each and contain hundreds of photos and drawings. Shown are sources of design, rejected and accepted designs, artist sketches, Post Office photos, official documents and other correlated material—presenting a veritable pictorial history of the United States commemoratives issued during the period 1901-1947. Each issue is dealt with individually with its full story told in detail.

If you collect United States commemoratives we believe that you will find this set of books extremely interesting and an ever-useful guide and handbook of information which will make your collecting more enjoyable and more satisfying.

## U. S. Precancel Collector Seeks Exchange Contacts

ONE OF our Booster subscribers in India, who collects U. S. Precancels, would like to make contact with collectors with similar interests with a view to disposing of his duplicates by exchange or sale. His collection consists of about 28,000 pieces, with approximately 7,000 different. His holdings are about half and half, Presidential and pre-Presidential series, mostly "Bureaus", no "Liberties", approximately 300 pieces of "hard to get" towns, according to the Gunesch-Coda catalog.

If interested, contact S. N. Roy, 17 Sourin Roy Road, Behala, Calcutta 34, India.

## Pony Express Centennial Covers

THE Pony Express Centennial Committee of Sacramento, California, will issue a limited number of official cachets for the Pony Express Centennial stamp at 25c each for singles; 30c for a pair, 40c for a block, and \$1.00 for a plate block. The committee made it clear that the cachet should not be confused with the special covers being carried by the ponies in the re-run starting July 19th. This official cachet will carry the autograph of the Sacramento Postmaster if requested by the purchaser.

All orders must be received before July 15, 1960, by the Pony Express Centennial Committee, Sacramento Chamber of Commerce Building, P. O. Box 1017, Sacramento 5, California, plainly indicating full names and addresses to be used on the covers. Addressed gummed labels may be submitted to be affixed to the covers if desired.

## Trade Notes

In the classified advertisement of M. Takara of Tokyo, which appeared under "Packets" June 4, 11 and 18, the price for the Japan large pictorials, (10 diff. x 1000) should have read \$55.00.

Anton Slavicek of Vienna advises that the prices for his offers on page 461, June 18th issued should have been: offer (1) \$140.00, and offer (2) \$100.00.

Joseph Bush, the Ryukyu and AMG specialist dealer, has moved into a new home with a beautiful panoramic view. The house is built on two levels, the lower portion being for his business office, a large play room, library-den, and storage. Living quarters are in the upper section. Pictures of the home and surrounding area look very inviting. Mail should be addressed to P.O. Box 1206, Chula Vista, California, instead of the former address.

Riviera Stamps, Santa Barbara, California, will be closed for vacation June 26 through July 10. Mail will be answered upon their return.

## Precancels

30 West Washington St., Chicago 2, Ill.

Parade of Bureau Precancels  
NEW YORK STATE  
(CONTINUED)

FOR a long time Schenectady had only four coils in the large Old Style to its credit. None of them is what one would call scarce, although the 1½c and 3c denominations are better than the rest of the set.

**Schenectady  
N. Y.**

Large Old Style

No small Old Style Bureaus were used from this Post Office. Finally they received the 1c Presidential coil, which is still common, although it has been replaced with the 1c Liberty coil. Surprise items were the narrow Presidential sheet stamps, because Schenectady always previously used coils. Both Presidential narrows already have been replaced with the Liberty sheet stamps. Just why Schenectady does not use any higher value Bureau Precancels is a mystery, because the Local Precancels from there are fairly common.

Our next stop is Schuylerville. This Post Office only used two large Old Style coils. Both the 1c and 1½c denominations are fairly scarce. The 1c received some additional, heavy postal cancellation on some mailings, which made them almost useless for collecting purposes.

Perhaps this is the end of Schuylerville as far as Bureau Precancels are concerned. Even Local Precancels from Schuylerville seem to be scarce. They used only one type from there.

Syracuse used both the Large and Small Old Style Bureau Precancels. The 2c coil in the large Old Style is rather scarce, and may some day come into the rarity class. Another scarce item is the 1c compound perforation, G-C catalog No. A12. The 2c in the perf. 10 series and the 3c coil, both in the large Old Style, bear watching.

In the small Old Style there is the rare 1½c side-view Harding coil. Not

many of them are floating around. Some say it is better than the Springfield, Mass. 1½c coil, but it really is a toss-up even though the Springfield coil is priced \$2.50 higher. The 10c and 5c coil from this city in the small Old Style are scarce too, but you can not compare them with the 1½c side-view Harding coil. Nothing scarce among the Presidentials, although some denominations, like the 2c coil, are not too common.

We almost skipped Jamestown, which used the 1c large Old Style coil. This coil really is common, which is surprising because the small Old Style coil is scarce compared with the large Type.

Wide-Spacing Defense

The best item from Jamestown is the 1½c side-view Harding sheet stamp, G-C catalog No. H33. The full-face Harding sheet stamps are not exactly common either. Another good one from Jamestown is the 1c wide Defense Bureau.

The last Post Office on the list that used the large Old Style Bureaus from New York State, is New Rochelle. Only the 1½c and 3c coils were used, and neither of them is common.

From an old record we quote the late H. M. Southgate, who said that in May 1935 75,000 of the 1½c coils and 135,000 of the 3c coils were returned to Washington for credit because New Rochelle had no use for them.

After many years this Post Office was supplied with 1c and 1½c narrow Presidential sheet stamps, which at this writing may still be used because they have not been replaced with the Liberty series.

Now let's look at the small Old Styles. Lockport used only a single Bureau Precancel, that is the 1c sheet stamp, G-C catalog No. H32. Just why this Bureau Precancel is scarce is unknown.

Plattsburg 1c sheet stamp is another good one. This place also used the 1c Presidential narrow-spacing. While not exactly as scarce as the small Old Style, you may have to do some hunting to find a good copy.

## Lehmann Speaks at Israel Philatelists

AT A recent meeting in New York of the Society of Israel Philatelists, Manfred R. Lehmann, Director of the Ghana Philatelic Agency, guest speaker, reported that Ghana and Israel are working in close cooperation on many important projects. The two countries were partners in the Black Star Line, which is now owned totally by Ghana, although most of the company's officers are Israelis. Ghana seamen are being trained in Israel, and Israeli officers are training in Ghana's army and air force. Many agricultural, geological and other projects are being conducted in Ghana by Israeli technicians, Mr. Lehmann advised.

In the stamp field too Israelis have contributed, mainly through designs of some attractive Ghana stamps. Among these are Willie W. Wind, now of the U.S.A., but long-time resident of Israel, who designed the Black Star set and others; Mrs. Mirjam M. Shamir, of Haifa, designer of the second anniversary stamps; M. Shamir, of Tel Aviv, the football stamps of 1959.

The Ghana-Israel Philatelic Exhibition in the Jerusalem Philatelic Museum, which opened June 7, 1960, in another expression of mutual cooperation.

Following his talk Mr. Lehmann answered questions from the audience, and altogether it proved a most interesting evening.

## Rahnhofer 1960 Christmas Cachets May Be Ordered Now

COLLECTORS interested in the cachets brought out at Christmas and Easter time by Fritz Rahnhofer may place their orders now for those being prepared for Christmas 1960.

Mr. Rahnhofer furnishes the covers at approximately cost as a good-will gesture between collectors of his country and ours. He uses famous art subjects for his cachet reproductions, and franks the covers with interesting recent stamps. For instance, his Easter 1960 covers depicted three Albrecht Duerer masterpieces: *Praying Hands*, *St. Veronica Sudarium*, and *Jesu's Farewell to His Mother*. They were franked with German Evangelical Church Congress, Europa and World Refugee Year stamps.

The covers are prepared in sets of three for \$1.00 a set, and are sent by airmail. Owing to the fact that Mr. Rahnhofer needs time to determine how many he will need, it is desirable to order as early as possible. Send orders with remittance to Fritz Rahnhofer, Post-schliessfach 44, Nuernberg 15, Germany.

## Jacques Minkus Named West German Philatelic Agent

**ANNOUNCEMENT** was made on June 7, 1960, that *Jacques Minkus* had been appointed the American distributor for the postage stamps of West Germany and West Berlin, through his *World Wide Philatelic Agency*. Mr. Minkus also heads the Swiss and Israel agencies, and the recently formed World Wide P.A., established originally for distribution of the United Nations World Refugee Organization stamps and covers from over thirty countries.

Mr. Minkus has pointed out that an agency of this type benefits both the collector and the retail dealer, enabling the dealer and hence the collector to get stamps promptly shortly after issue. The dealer gets the stamps at face value, eliminating for him costly commissions, postage and insurance charges, and enabling him to pass on these savings and conveniences to the collector.

## BOOKLETS

**ROGERS POSTAL BOOKLET CATALOG** The first and most comprehensive catalog of complete Postal Booklets was compiled and published by Jacques H. Rogers in 1947 and is still the only complete catalog that has been published on the subject. For some years it has not been obtainable and it was thought that the entire edition had been sold out. However, there has recently come to light about 200 copies of the book which were located when Mr. Rogers was preparing to move all of his effects to Switzerland. Ninety-four countries issued stamps in booklets during the period covered by the Rogers Catalog, and these are listed and priced in detail. Each booklet is given a major number under each country, followed by year of issue, and the Scott numbers of the stamps included in the booklet. The contents of each booklet are completely listed and varieties of the covers, both as to color and type of paper used and variations in the advertising matter, as well as whether they are available with plate numbers of overprinted "Specimen" are listed as subvarieties. The prices are surprisingly accurate and reflect the comparative scarcity of the different varieties. No collector of booklets can get along without this catalog. Many illustrations of exploded booklets show how attractively they can be mounted for display. 155 pages, printed on heavy coated paper, bound with spiral backed covers, protected with heavy cellophane front and back. Until our supply is gone we offer them at the original published price of \$5.00 postpaid. H. L. Lindquist Publications, Inc., 153 Waverly Place, New York 14, N. Y. N.Y.C. residents please add 3% city sales tax.

## South Australian Philatelic Exhibition

**THE Philatelic Society of South Australia**  
reports that a South Australian  
Philatelic Exhibition will take place be-  
tween September 29 and October 1, 1960.  
Special registration labels and a special  
cancellation will be used at the exhibi-  
tion post office only.

There will be official embossed covers  
in four colors available, on which the 6d  
banded-ant-eater stamp, being issued to co-  
incide with the opening of the exhibition,  
will be used. The cost of the cover with  
two stamps, fully serviced and sent by  
ordinary mail will be one shilling, nine  
pence; the same registered, three shillings,  
nine pence; and registered air mail, five  
shillings, nine pence.

All orders must be accompanied by  
remittance to cover cost, and should be  
sent to C. R. Curtis, 100 Price Avenue,  
Clapham, South Australia.

Even though the event is so far ahead,  
collectors should remember that mail to  
South Australia takes a long time en-  
route if sent by ship mail; and we recom-  
mend that airmail be used in sending  
orders, even if mailed now.
